

birthday parties

2nd birthdays

By birthday number 2 your toddler will have a good understanding of what a birthday means. Our inflatable, ball pit, soft play toy area and interactive rooms make ideal activities for that two-year-old that wants to eat cake, open presents and play!

3rd birthdays

If your child is turning three then they're ready for a few playmates at their party. Three-year-olds are active, messy and very noisy! With a large variety of activities to choose from, lots of open space and easy-clean facilities, Kids Paradise is a wonderful place for any third birthday party!

4 - 8 birthdays

If your child is aged between four and eight consider one of our themed parties. Our Princess Room comes with a dance floor, our Frozen Room is beautifully designed and our Pirate Room will excite any buccaneer.

9 - 12 birthdays

This age loves to hang out of hours in Kids Paradise. There is nothing more fun than having a playground to yourself after hours. Some of the themes that we offer include:

- Pirate Parties
- Super Hero
- Mad Hatter Tea Party
- Lego
- Star Wars
- Princess
- Frozen
- Do It Yourself - this means you tell us what theme you would like and we will put that party together for you.
