

# kids paradise holiday program

**Kids Paradise Holiday Program is a soulful play space. It is a very special place where we encourage the celebration of childhood, friendships and innocence. It's surprising, cheeky, joyful, fun, honest, and heartwarming. The program is designed to instruct, recreate and nurture a child's soul.**

In our program, we offer three types of soulful experiences:

- 1 Free play, where children can freely use the space and become reinvigorated. Children in this space are encouraged to embrace whimsy, fun and playful innocence.
- 2 Facilitated Soul play, where an educator follows a child's lead and uses teaching strategies to guide play and learning for the soul.
- 3 Structured Workshop, that follows a step by step process and helps children discover their unrepeatable soul and to love and respect the soul of another.

## Our Spring Theme is 'Love Does'

Children will laugh, dream, and be inspired to make a difference; take ownership of their mistakes and forgive others for their mistakes; never give up - no matter how scared they are.
